

“SPG was a well organized and well attended show. I made a large number of new contacts and over all it was a show I am glad I came to.”

Laks M. Sampath, Trina Solar (U.S.), Inc

“Very impressed with quality of attendees and quality of material presented”

Julianne Murray, SoloPower

“The conference had a large number of key employees from regional utilities and developers that we were interested in meeting with.”

Joshua McNeely, Solar Monkey

“Excellent scheduled networking time... This is the one event where I could be sure to maximize my contact with a desirable client base.”
 Jeff Krauss, Renewable Energy Contracting

“Well organized and quiet location from the hustle & bustle of Las Vegas. Excellent food choices and intimate setting for meeting clients”
 Nikhil Shah, Longsol LLC

Fantastic networking at the inaugural Solar Power Generation Charity Golf Tournament

The Solar Power Generation Charity Golf Tournament was an outstanding success for Suntech. We met a number of potential customers with whom we had previously had difficulty contacting. I was especially impressed with the friendly, relaxed atmosphere that made it so easy to meet new people in the industry.

Roger Efird, Suntech America
